Childrens Camp Information

But seek first His Kingdom and His righteousness, and all these things will be added to you.

Matthew 6:33

Reynolds County Baptist Association

March

As I write this, we are awaiting another dose of wintry weather. But I know spring will arrive soon followed by the dog days of summer. Knowing those warmer days are not too far away may bring warm and fuzzy feelings, it also reminds me that some of our biggest ministry efforts are not too far away also. Specifically, I am thinking about VBS and Summer Camp.

These cold days of winter are the best time to beginning planning for these events. Lifeway's 2022 VBS theme is the most exciting one I've seen in recent years. And for VBS, we want to support each church's effort in any way we can. As in years past, we will purchase the 2022 VBS curriculum and some decorating items for your church to use. In addition, I would like to build some props and decorations for this VBS theme that can be shared among the churches. I mention this now because, not only will I need some help with building, painting and decorating, we will need materials. So, if you have any scraps of lumber, paint, screws, nails, or any other hardware, please consider hanging on to those as we may be able to put such stuff to good use. Look for more information very soon regarding VBS training and other ways we can support your VBS efforts in the coming weeks.

As an association, the biggest ministry effort we have is summer camp. I can't emphasize this enough – the most needed resource for successful summer camps is volunteers. Yes, we need volunteers to go to camp to supervise and teach our campers, but there are so many opportunities for you to serve at camp without having to spend each night. We took 29 campers to children's camp this past summer. I'm praying for the Lord to double that this summer. But doubling that means we will also need to at least double the number of adults with them. Camp dates are listed here in the newsletter. I would ask that you mark them in a calendar and begin praying now about how you can be involved with camp. Becky will be scheduling planning meetings soon. Even if you are not sure how you can serve, attend those meetings. It's there that God can show you how you can be involved.

Of those 29 at camp this past summer, seven came to faith in Christ and two more in the couple of weeks following camp. Every time I think about those nine young lives that are now forever sealed for eternity with Christ, I do not dread the labor involved. And I praise God that I was able to be a part of what He accomplished that week. Won't you come be a part of that as well?
