Annual meeting

Like many others, I look forward to this time of year. I'm not necessarily a fan of the shorter days and earlier sunsets, but I look forward to the cool mornings and milder days. Another great thing about this time of year is that the RCBA Annual Meeting is complete, meaning that we have a new year of ministry ahead of us. My ministry here as your Director of Missions has been under the cloud of a pandemic, but as we embark on this next year, I feel a sense of optimism and I anticipate the Lord Jesus Christ doing great and mighty acts in and through our churches!

Other than our time of worshiping together, for me, the highlight of the annual meeting was being able to present a calendar of ministry events for the upcoming year. A large part of my vision DOM is to help encourage and equip believers and churches to be able to carry out the calling the Lord has placed on each of us. I often remind believers that God does not call the equipped, but rather, He equips the called. It is my desire to be able to help equip our churches to carry out the mission placed before each of us.

Our planned equipping events for the next year include:

- January 2022 – Lay Speaker Training
- February 2022 – Pastor's Conference
- March 2022 – Stewards of Children Training
- April 2022 – Deacon's Conference
- May 2022 – Adult Vacation Bible School

We will be publishing more information about these events as plans and details come together. The best way to stay up to date is to get on the email list for the newsletter and to follow the RCBA Facebook page.

As I preached at the annual meeting, I believe there will be many open doors for us to share the Gospel and the Love of Christ in the months to come. If we are going to successfully carry out the mission placed before us, it requires every member of every church pursuing the open doors the Lord places before us. If we faithfully prepare and pursue those open doors, I believe the Lord is prepared to do amazing things in our communities!

In His Service,
Bro Douglas Allen
Director of Missions
